

# What is one action you plan to take as a result of your experience today?

listen

Positive Change

help

tenacity

Target different audiences differently.

making a difference

Educate

mutlidisciplinary collaboration

Hope

# What is one action you plan to take as a result of your experience today?

collaborate with all disciplines in publications efforts to capture stories

Approach OB provider participation from a different angle

Inform others of work

Meet with my team to start making changes.

share with others

educate

Learn more about the MAT waiver training.

Connect with more CO providers about how we can tackle universal screening!

communication

# What is one action you plan to take as a result of your experience today?

investigate

Communicate the work

We are going to change up the frequency our nurses do the ESC on the babies.

Make a more robust newborn feeding policy to include more substances and what qualifies the mom to be able to breastfeed.

surveyeducationinspire

Plan from prenatal to 2 years

continue to make changes despite covid--move the work forward!

Work toward less silos and more multidisciplinary collaboration

Reach out for help (and not reinvent the wheel)

# What is one action you plan to take as a result of your experience today?

Continuous education

Advocate changing the Children's Code to be less punitive

breakdown communication barriers

Think who your audience is to get buy in

Family integration

Continue thinking about the privilege/equity considerations within the pandemic and beyond and how it impacts work around SENs and substance use!

empowering women

Continue to educate both parents and providers!!

Inform others of workSupport is needed

# What is one action you plan to take as a result of your experience today?

Focus on mother-infant dyad

earlier prenatal education regarding breastfeeding

Focusing on plans for Safe Care and working closely with moms on this.

Add racial disparities to lectures provided

Re-educate about ESC and pharm management

There are resources available to help us in different aspects to make our work easier.

providing support
